CORE COMPETENCIES

Homeless Management Information Systems (HMIS) Subject Matter Experts:

PCL's team has pioneered HMIS innovations, including:

- Development and maintenance of custom HMIS software - **VESTA**.
- Developing and maintaining **HMIS Data Standards and Reporting Specifications**.
- Development of **HMIS project setup and data collection** tools.
- Supporting **HMIS Leads and System Administrators** through web-based and in-person trainings and technical assistance.

Sage HMIS Reporting Repository:

PCL developed and administers the **Sage HMIS Reporting Repository**, which collects and analyzes national performance data for HUD-funded programs.

This tool enables robust analysis for:

- CoC Annual Progress Reports.
- ESG CAPERs and ESG-CV Reporting.
- Youth Homelessness Demonstration Program Reporting

Youth Homelessness Demonstration Program (YHDP):

PCL supports communities awarded YHDP grants by enhancing **data collection** and **reporting** to measure program success. This enables targeted efforts to address youth homelessness and its root causes.
